Dear Parents,

It is time for us to begin enrollment for the 2012-2013 school year! We have had many families show interest in enrolling in our Kindergarten program for next year and we want to be sure that siblings of STRIDE Academy students have first priority. Because of this, we are asking that if you plan to have a Kindergartener attend STRIDE Academy during the 2012-2013 school year and you haven't yet filled out an application please fill out the application form and return it ASAP, we are planning to hold the lottery on December 8, 2011. If you have any questions, please contact Dawn Towle at 230-5340 or dtowle@strideacademy.org

Thanks,
Dawn Towle
